Plan Sponsor WebStation

Welcome to Plan Sponsor WebStation

Plan Sponsor WebStation is a service designed exclusively for Public Sector plan sponsors to provide direct, secure access to plan and participant account information over the Internet.

What's New

- **Promote NatBenefits .sm to your employees!**
A new program, NatBenefits In-A-Box, brings together all the materials you need to promote this valuable service to your employees.
- **New law changed rules for determining 401(k)s**
The Taxpayer Relief Act of 1997 brought about the ability to increase elective deferrals.
- **FAQs on Y2K**
A list of frequently asked questions covers the details on the Year 2000 project.
- **401k.com gets a new look**
Fidelity's award-winning public Website for 401(k) plan participants will be redesigned later this month. The new look will make the site even more user-friendly.
- **NatBenefits .sm wins Microsoft award**
NatBenefits, Fidelity's online account access service, has won this award for excellence in innovation.
- **The Benefits of Being Online**
The Internet offers a multitude of capabilities to today's organizations.
